Re: Freedom of Information Request:
Orange County North Basin Site, California

Dear FOIA Officer:

By this letter and pursuant to the Freedom of Information Act, 5 U.S.C. § 552, we hereby request that the Environmental Protection Agency ("EPA") provide copies of the following records:

1. Any and all CERCLA § 104(e) information requests propounded by EPA concerning the Orange County North Basin site; and
2. Any and all responses to CERCLA § 104(e) information requests that EPA has received concerning the Orange County North Basin site.

To the extent that there are any documents or portions thereof that EPA determines are exempt from disclosure and seeks to withhold, please state the names and titles or positions of each person responsible for the denial of such request pursuant to 5 U.S.C. § 552(a)(6)(C)(i).

It is our understanding that, by submitting this single request to your office, you will notify all appropriate divisions and departments within EPA to produce any and all responsive documents. If this is not correct, please contact me immediately. Also, we would appreciate a response to this request as soon as possible and within the 20 days provided by 5 U.S.C. § 552(a)(6)(A)(i).

We are willing to authorize fees up to \$250. Please call me at (213) 680-6427 regarding authorization for any additional fees and/or to discuss copy arrangements.

Thank you for your assistance. Please contact me if you have any questions or need additional information to conduct your search.
